Trends
What We Are Seeing in DoD

- **Inspections**
  - **Execution of Intelligence Activities is Generally Good**
  - **Troops Get Trained—Leaders and Contractors Don't**
  - **Unimaginative Training Leads to Poor Retention**
  - **Lack of Non-Intel Leader Awareness and Emphasis on IO**
  - **Loss of High Demand Low Density Personnel to the Private Sector**
- **Reports of Questionable Intelligence Activity (Procedure 15)**
  - **Conduct of Intelligence Activities without Appropriate Authority**
  - **Personnel Misconduct in the Course of Intelligence Operations**
  - **Failure to Report Questionable Activities**

IO Reporting Requirements & Resolution

- **Reporting is Non-Negotiable**
- **Report All Questionable Activity**
  - ✓ **Confirmed and Possible Violations**
- **Report To Intel Oversight Within 5 Working Days of Discovery**
  - ✓ **MARFOR, IGMC, SJA, Command Channels or VFR Direct**

One Last Point On Reporting Questionable Intelligence Activities

"In the information age, the bad news is going to get out… the only question is who will tell it first and will they tell it accurately."

- Torie Clark
Former Asst. SECDEF for Public Affairs

INTELLIGENCE OVERSIGHT
Getting Started with Your Units

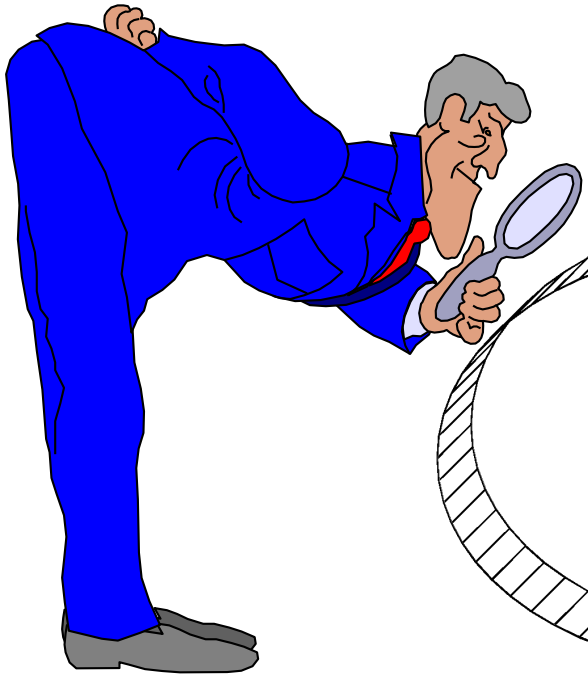
- **Do your homework and read the regulations.**

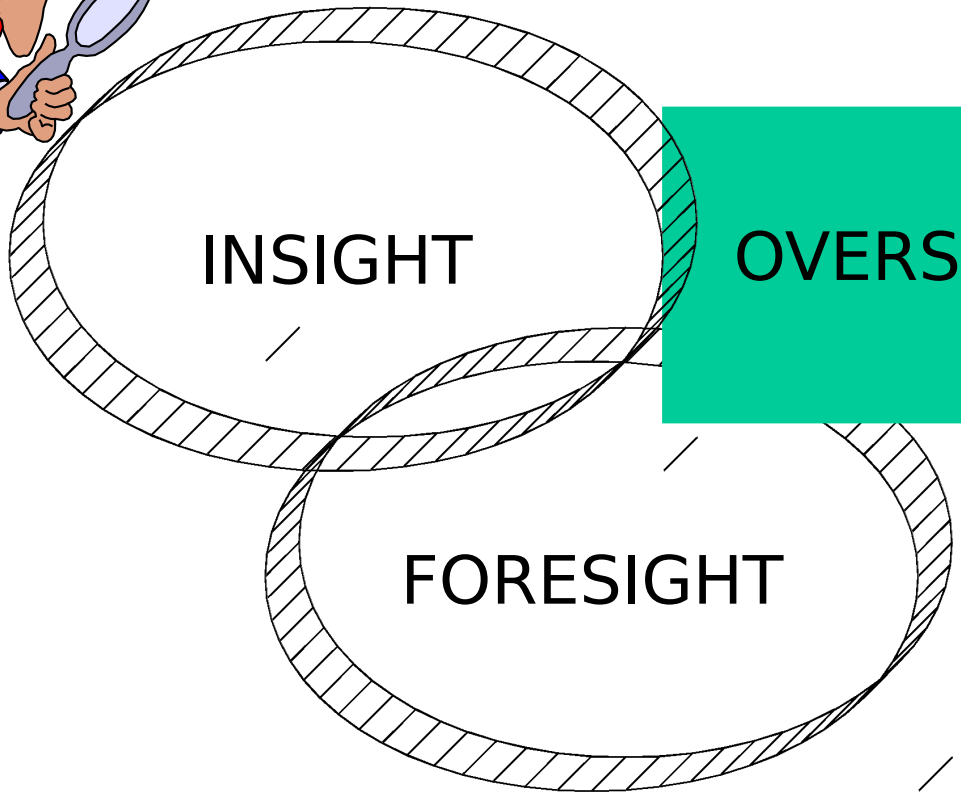
- **Identify subordinate Intel units and/or activities.**

- **Get your Staff Judge Advocate involved.**

- **Inspect as part of the CGIP:**
  - ✓ **Training program in place**
  - ✓ **Understanding of appropriate activities**

GOOD IO PROGRAM COMPONENTS





COMPONENT BREAKDOWN

- INSIGHT- Knowledge of programs and potential pitfalls
- OVERSIGHT – Review of programs for compliance with current laws and directives
- FORESIGHT – Determine way ahead to mitigate future problems and set path for future lawful conduct

GOOD INTELLIGENCE OVERSIGHT PROGRAM INDICATORS

- COMMAND AND LEADER EMPHASIS
- CODIFY RESPONSIBILITIES AND REQUIREMENTS
- FORMALLY APPOINT IO OFFICIAL
  (Whom Everyone Knows)
- TRAINING – EARLY AND OFTEN – WITH CREATIVE REINFORCEMENT

GOOD INTELLIGENCE OVERSIGHT PROGRAM INDICATORS

- MUST BE AN ACTIVE PART OF ALL OPERATIONAL PLANNING AND EXECUTION
- ACTIVE INVOLVEMENT BY SJA
- QUESTIONABLE ACTIVITY REPORTING
  - Timeliness
  - Prompt and Appropriate Corrective Action
- ACCURATE / CURRENT RECORDS & FILES

Perception is Reality

- Perception becomes reality
- Hollywood Conspiracy Theory e.g. , Clear and Present Danger, Enemy of the State, Watchdog groups

INTELLIGENCE OVERSIGHT IS A GOOD THING

- ENSURES PROTECTION OF CONSTITUTIONAL RIGHTS

- PROTECTS USMC'S GOOD NAME

- DEMONSTRATES THAT THE MARINE CORPS IS POLICING
IT'S OWN INTELLIGENCE ACTIVITIES

- PROCEDURE 15 - ALTERNATE REPORTING CHANNEL
NOT A DISCIPLINARY REPORT

BOTTOM LINE:

ATTEND TO IO RESPONSIBILITES UP FRONT OR….
GET HELP ATTENDING TO DAMAGE CONTROL LATER

Summary/Conclusion

“A free people have long had to decide where to plant the flag on that inevitable spectrum between security and liberty. We have always planted it close to liberty.”

- General Michael V. Hayden USAF
Director of the Central Intelligence Agency
